Re:— Allowance to Typists and Steno-typists.

7414.

Letter no. C/-75 22/47-8 dated 7th June 1948 from the D.J.S. forwards the representation of the Typists and Steno-typists of the Food Deptt. for reconsideration.

The D.J.S. has forwarded for reconsideration of orders passed in this office letter no. S.D 7997 A 172-47-2 dated 19.4.48. The proposals of the D.J.S. recommending (1) the Continuance of the allowance of Rs 10/- and Rs 15/- p.m. to Typists and Steno-typists. (2) the Grant of the benefit of the revised scale of Pay sanctioned to Non-Gazetted employees of Govt. were turned down. (vide letter dt 19.4.48.

2) The present Proposal of the D.J.S. is for the Continuance of the system of payment of allowances to the Typists and Steno-typists. It is stated that grave hardship is caused to the Typists & Steno-typists who are the sudden loss of allowances & also denied the benefit of the revised scale of Pay—

2

the representation of the Typists and Steno-typists is for perusal.

3) It is contended, that the orders dated 16.1.1948, cannot be held to be applicable in their cases.

4) In support of their contention G.O. dated 21st Sept. 1947 is cited. Para 3 of the said order cited above is for perusal. It is mentioned that the existing scale of allowances may be allowed to continue in all other cases where the Steno typists and typists are required to attend to typing work only.

5) The interpretation put on the above order is very wide and too general. Taking advantage of this, the Typists and Steno typists of the Food Deptt, have sought, for the continuance of the allowances.

6) In G.O. dated 16.1.1948 while sanctioning the revised scales of pay of the Steno typists and typists,

Allowance to Typists and Stenotypists

it has been made clear, that all allowances should cease, with effect from 16.1.1948.

7) The proposal of the D.F.S. has already been once turned down, for the reasons stated in para 3 of the Collection placed below. In view of the order already passed in this behalf it is for orders, whether the present Proposals may be considered. for orders.

8) There is considerable force in the arguments of the D.F.S The position of these steno-typists is indeed very peculiar. They have not been given the benefit of the revised grades, which was given to the officials of the other departments. The allowance were withdrawn to the stenotypists of other departments because they were given the benefit of the revised grades. It appears that these stenotypists are very unfortunate. Their position, in having come to a temporary department, is like entering a

Allowance to Typists & Stenotypists

partnership in which they do not share the profits, but only the losses.

9) The revised grades were not ~~explan~~ made applicable to them, because they were in a temporary department. So, the order per contra Cancelling the allowances should be applicable only to those in the permanent departments Either the revised grades should be applicable to the Stenotypists of the Food department, or they may be allowed to draw the allowances as before. As the former course would raise the general issue of revising the salaries of all the officials in temporary departments, the latter appears to be more feasible and may be approved.

10) The financial Secy may be Consulted ~~Collected~~. (Rule 71 Secys minute para 3,9. Gilm)

11) I can at best invite reference to my note dated 2-4-48 recorded in the file placed below. The hardship supposed to have been caused to these officials of the Food Department is not as much as that to the temporary officials of

U.C.S4/

the Food Department who have either been thrown out of employment or are likely to face a similar situation shortly.

15) The chief Minister's orders are that these officials should not get both the revised grades and allowances. It has to be ascertained whether the officials are not retaining the lien in their parent Departments and if so whether they would not automatically get into

16) The Finance Department wants a clarification re:- the lien of the Officials now working in the ~~Food~~ Department. 1) In the Case of the Officials who hold substantive posts in their permanent Depts. according to the present order of the Chief Minister, they are entitled to get only the benefit of the revised scales automatically, and not the allowances, as they are allowed to retain their lien in their parent Depts.

2) In the Case of Officials who are recruited for work on a temporary basis, they are entitled to allowances only as they cannot get the benefit of the revised scales.

However the Dir of F.S. will be requested to offer his remarks regarding the retention or otherwise of the lien of the officials now working in the Food Dept, for a proper application of the order now passed on the proposal of the Director. 11 JUN 1948

OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

Bangalore, dated 7th June *194* 8

To
The Secretary to Government,
Food Department, BANGALORE.

Sir,

Subject: Allowance to Typists and Steno-typists.

Adverting to your letter No.SD.7999/A.172-47-2 dated 19.4.1948 stating that Government ~~do~~ consider that it is not desirable to revive the system of payment of allowance to the Typists and Steno-typists which was abolished in Government Order No.Fl.3966-4035/S&A. dated 25-47-45 dated 16.1.1948, I have the honour to forward herewith a copy of a representation of the Typists and Steno-typists of this Office explaining the grave hardship caused to them by the sudden loss of allowances while at the same time, the revised scales of pay sanctioned in Government Order dated 16.1.1948 cited above are not made applicable to them. The hardship represented by the officials is real and in view of the protection from loss of emoluments vouchsafed under Para 5 of the said Government Order to Typists and Steno-typists of permanent Departments I strongly feel that their prayer deserves favourable consideration.

2. The Auditor and Accounting Officer of this Department who was consulted in the matter has expressed the opinion that the hardship which the officials will be put to by the sudden loss of allowances and absence of sanctioned revised grades may be brought to the notice of Government for their consideration and orders.

3. In the circumstances I request that Government may kindly be moved to reconsider the orders already passed in the matter and to accord sanction as a special case to the continuance of the system of the grant of allowances on the

same scale as previously to the Typists and Steno-typists of the Food Supplies Department so long as they remain in this Department.

I have the honour to be,
Sir,
Your most obedient servant,

BSG.

Director of Food Supplies.

SUBMITTED.

Subject: Allowance to Typists & Stenotypists.

With reference to letter No.SD.7999/A1172-47-2 dated 19th April 1948 from the Secretary to Government, Food Department communicating that Government consider that it is not desirable to revive the system of payment of allowance to Typists and Stenotypists which was abolished in Government Order No. Fl.3966-4035/S&A.25-47-45 dated 16.1.48, we beg to submit the following:--

(a) Govt. Order No.Fl.2357-2416/S&A.25-47-14 dated 3.10.1947 has laid down that the general revision of salaries of non-gazetted establishments ordered in Govt.Order No.Fl.2010-70/S&A.25-47-6 dated 21.9.1947 excludes appointments sanctioned in temporary Departments created for emergency caused by War conditions. Government Order No.Fl.3966-4035/S&A.25-47-45 dated 16.1.1948 relating to revision of salaries of Typists & Steno-typists is partly a supplement to Govt.Order dated 21.9.1947 and appears to be a clarification of para 3 of the first Govt. Order. Hence the revision effected in Govt. Order dated 16.1.1948 cannot strictly beheld to apply to appointments of Stenographers in Food Supplies Department. As such it appears to be admissible to continue Stenographers allowances to Typists & Stenotypists of Food Department as their grades of pay are not revised, like those of other Departments.

(b) If however, it is held that the Govt. Order dated 16.1.48 applies to this Department also, the initial pay to be fixed for Stenographers in the Food Department on 1.1.1947 has to be not less than the emoluments viz. (salary plus typing allowance) drawn by them on that date. Denial of revision of grades as per Govt.Order dated 22.12.1947 as well as typing allowances to these employees will inflict dual hardship on them while the intention of Govt, as indicated in para 5 of Govt. Order dated 16.1.48, is to completely safeguard this class of employees from the least loss of emoluments if any, consequent on changing conditions of pay and

allowances. Our request to continue the allowances is therefore quite congruent with the sprit of the Govt. Order dated 16.1.48. Hence we request that our cases may kindly be recommended for favourable re-consideration of Government.

(c) Further the benefit now sought is available to us for only a short term to come, for the Department is gradually reducing in strength and each employee will, in due course, revert to his parent Department soon and draw the salary fixed for him there.

(d) In view of the extreme emergencies during which we have served the Department satisfactorily by heavy and overtime work, we humbly request that a loss of emoluments should not be inflicted on us at the tail end of our term of service, particularly when our colleagues in other Departments are scrupulously protected from hardship and loss caused by the changed conditions of pay and allowances.

2. Under these pecular circumstances, we would request that the Government may please be addressed to re-consider their order dated 19.4.1948 and to sanction our prayer to continue the Typists and Stenotypists allowances, or to continue us from 16.1.48 on a salary which is not less than the total emoluments we drew on 15.1.1948 in order to protect us from severe hardship caused by sudden and drastic reduction in income.

We may be kindly permitted to mention that the number of employees that will be entitled to draw the allowances is only small and the extra cost on this account may not be much as the establishment in the Department is being disbanded rapidly.
